

NOTICE

PROCTOR HUNTING PROGRAM CHANGES

*** Please remember that anyone hunting on federal property **MUST** wear 400 square inches of daylight florescent orange with 144 square inches appearing on both chest and back, and daylight florescent orange headwear must be worn. Hunters are allowed to take off daylight florescent orange gear **ONLY** when actively hunting at a fixed location.

Proctor hunting program offers two (2) types of hunting permits: Migratory Game bird hunting permit (waterfowl and migratory game bird) and the General hunting permit (feral hog and small game). These permits grant the holder and up to two (2) guest access to the Sabana and Upper Leon Wildlife Management Areas (WMAs). Hunting restrictions and guidelines are expressed on the permit or in the Proctor Lake Hunting Policy. All other State and Federal hunting Restrictions and Regulations APPLY.

Properly completed 2017 applications will be accepted and can be mailed to the Proctor Lake Office, ATTN. Hunting Program Coordinator, 2180 HWY 2861, Comanche, TX 76442.

***Starting in 2018, all applicants that wish to apply **MUST** do so in person at the Proctor Lake Office located at 2180 HWY 2861, Comanche, TX 76442. Applications and Permits will be issued between the first Monday of June until the last Friday in August, 8:00 am – 4:30 pm, Monday through Friday excluding federal holidays. No permits will be issued after the last Friday in August. All hunters must submit the hunting survey by the end of May, 2018 to be eligible for a hunting permit the following hunting season (2018-2019).

Hunting within the boundaries of the Sabana Wildlife Management Area (WMA) and the Upper Leon River Wildlife Management Areas (WMA) are by permit only. Migratory game bird hunting within the main lake hunting areas is allowed and is not permit required.
